

This is why we organized this event...

### LYCOMING COUNTY CHARITIES

**Kiwanis** Charity Fund, the club receives requests for charitable donations every month. Supporting this fund means supporting many, many children.

**The Center** seeks to make lasting changes in the community by empowering youth, parents, adults, by nurturing positive feelings about themselves and the community. This is done through programs provided at the Campbell Street Center.

**Children's Development Center** is a private, not for profit agency that provides therapeutic services for children of special needs birth to 21 years old.

**Big Brothers Big Sisters** of Lycoming County provides mentoring services to at-risk youth. They pair disadvantaged children with adult volunteers.

**Kiwanis Club of Williamsport** - Kiwanis Club of Williamsport was organized in 1919, making it one of the oldest clubs within Kiwanis International. Our members have been volunteering their time to make a difference in children's lives within our community. Our history over the years has been truly wonderful as we have helped more people than can be counted. We have raised tens of thousands of dollars over the years. In turn, the funds we have raised have permitted us to help many, many charities. 100% of all monies raised are given to charities that need support.

Our mission is to make this an annual event, an event that brings everyone in our community together to help our children and have fun doing it!
